

This document sets forth the terms and conditions which govern all purchases of goods and services, including any Contract or Purchase Order by HarcoSemco.

1. **Definitions.** As used throughout these Standard Terms and Conditions of Purchase (“Terms and Conditions”), the following definitions apply unless stated otherwise:
 - a. “we,” “us” and “our” means the HarcoSemco legal entity issuing the Order (as defined below)
 - b. “Supplier” and “You” means the contracting party with whom HarcoSemco issues the Order (as defined below)
 - c. “Specification” means any specification and/or drawing
 - d. Our agreement with you (the “Contract”) consists of: (i) any “Purchase Order” or “Delivery Schedule” (an “Order”) that we issue to you; (ii) any duly signed contract which we have entered into with you for our purchase of goods and/or services from you (iii) these Standard Terms and Conditions of Purchase (iv) any specifications and safety, health, and environmental requirements that we agree with you; (v) other requirements or procedures made available to you (via HarcoSemco’s “Supplier Portal”: <https://harcosemco.com/suppliers/>). If there is inconsistency between any parts of the Contract, the parts placed higher in this list will prevail.
2. **Acceptance.** These Terms and Conditions, including Appendix A, together with any referenced documents, attachments, schedules, and exhibits noted on the Purchase Order (collectively “Terms and Conditions”) constitutes the complete and entire agreement between HarcoSemco and Supplier and acceptance by Supplier is limited to these Terms and Conditions. Additional, inconsistent, or differing terms, including any conditions or limitations of liability proposed by Supplier, whether in a quote, acceptance, acknowledgement, delivery document, or otherwise, shall have no effect and are expressly rejected unless otherwise accepted or modified in writing by an authorized representative of HarcoSemco. Supplier acknowledges and agrees that it is responsible for fully complying with these Terms and Conditions and any applicable requirements, supplementary terms, and quality standards, which are made available at HarcoSemco’s Supplier Portal.
3. **Delivery.**
 - a. Goods must be delivered DAP (as defined in current incoterms®) unless another part of the Contract states different delivery terms. Ownership of the goods you deliver will transfer to us on delivery.
 - b. Supplier must deliver good and/or services that we order in accordance with the delivery terms and date set out in the Contract. If any goods and/or services are not delivered on time, we may cancel the relevant Order and terminate the Contract.
 - c. Unless otherwise excused pursuant to Section 11-A, time is of the essence in all Purchase Orders and Supplier will deliver acceptable Goods in strict conformity with the delivery schedule set forth in the Purchase Order. The supplier will bear the cost of any normal (except to the extent explicitly specified otherwise under the relevant Purchase Order) or extraordinary (in any case) shipping charges necessary to meet the delivery schedule specified in any Purchase Order.
 - d. Unless otherwise agreed in writing, Supplier will not deliver any Goods or render any services in advance of the schedule specified in the relevant Purchase Order and will not order materials or services necessary for delivery of the Goods or rendering of services to HarcoSemco in advance of Supplier’s normal and reasonable order requirements. Any Goods delivered to HarcoSemco in advance of schedule may be returned by HarcoSemco to Supplier at Supplier’s cost or HarcoSemco may, at HarcoSemco’s sole discretion, store the Goods at Supplier’s cost.
 - e. Unless otherwise excused pursuant to Section 11-A, at HarcoSemco’s option and sole discretion, if Supplier fails to deliver any Goods ordered under an Order by HarcoSemco by the delivery date, in consideration of the difficulties in calculating the damages which any such delay would cause HarcoSemco, HarcoSemco will charge Supplier, as liquidated damages, for each day of delay in delivery, 1% of the price of the goods or

services (subject to a \$100 per day minimum) up to a maximum of 30% of the price of the goods or services that you supply to us, which the parties agree is a genuine pre-estimate of our losses. Liquidated damages under this section is not HarcoSemco's exclusive remedy for any late deliveries of Goods and HarcoSemco reserves the right to pursue any amount of damages HarcoSemco owes to its customer as a result of Supplier's failure to timely deliver. We specifically reserve the right to claim actual damages for losses, costs and expenses suffered only in the event that we can show that the damages available to us under the law are more than the liquidated damages hereby estimated.

- d. All goods acquired by HarcoSemco from Supplier are subject to HarcoSemco's inspection before or after receipt of the Goods by HarcoSemco regardless of when title to the Goods transfers to HarcoSemco. HarcoSemco's inspection may include physical, visual and/or mechanical review, as well as a request by HarcoSemco for any documentation necessary to substantiate that the Goods meet quality requirements, specifications, or specific requirements set forth in the Purchase Order.
- e. HarcoSemco will notify Supplier in writing if any Goods are defective in material or workmanship or not in conformity with the drawings, specifications, samples, required documentation or other requirements. HarcoSemco will provide Supplier a commercially reasonable timeframe to correct the defect or non-conformity; provided, however, that HarcoSemco may, in addition to any other rights under the Purchase Order, these Terms and Conditions or otherwise, correct or have corrected the defect or nonconformity at Supplier's expense but only to the extent HarcoSemco's manufacturing needs require such action in order for HarcoSemco to meet its customer requirements. In addition, HarcoSemco may charge Supplier up to one thousand dollars (\$1,000) for each quality notification; the parties agree that this is a reasonable estimate of the initial administrative costs HarcoSemco will incur to

process a quality notification, and that this charge is not a penalty. HarcoSemco may, at its discretion, invoice or debit the Supplier's account in the amount of all such costs incurred.

- g. HarcoSemco and its customers, subcontractors and regulatory agencies shall be allowed entry and are hereby authorized to enter into the premises of the Supplier to inspect and otherwise verify the quality of work, records, and material at any place, including the Supplier and Supplier's subcontract's manufacturing facilities.

Supplier will adjust prices upon discovery of any amounts paid by HarcoSemco that reflect a breach by Supplier of such pricing commitment and refund any excess payments made by HarcoSemco. HarcoSemco or its representatives, at HarcoSemco's cost, may audit all pertinent books, records, and files of Supplier in order to verify compliance with this section.

6. Confidentiality and Intellectual Property.
